

Essential kit list for open water snorkelling

This list is an essential guideline for those going open water snorkelling. Oxford BSAC provides life jackets for boat trips and snorkel vests.

- Basic equipment – mask, fins and snorkel.
- Wet-suit, gloves and hood
- Weight belt and sufficient weights
- Dive boots or pair of flip flops/plastic clogs/boat shoes for walking to and from waters edge.
- Black bin liner (for bringing home damp wet suit, towels etc)
- Ground sheet to keep equipment off sand or pebbles.
- 2 towels
- Warm coat (it gets cold on the boat on the way back)
- Flask of hot drink
- Food, as much as required.
- Head protection if sunny
- Sun block

This is only a rough guide and you can bring whatever you want, BUT it's your responsibility and you will be the one carrying it.
